

TELECOMMUNICATIONS AND UTILITY BILLING AUDITS

95% of all businesses are paying too much for their telecommunications and utility costs.

Is your business trying to:

... cut expenses?

... increase profits?

Would your business benefit by:

... reducing utility costs while increasing the level of service you receive?

... eliminating unnecessary and excessive monthly expenses?

How about receiving a check from the phone company for a change?

If you have answered "yes", please allow us to help you!

Rose Consulting is an independent consulting firm.

We can STOP the over-billing, outrageous rates and confusion!

There is absolutely NO RISK, because our service works on a contingency basis.

Rose Consulting provides a "Win-Win" situation for any business.

You owe nothing unless we save you money.

If all of your services are billed correctly, you will receive a detailed report explaining your current services and expenses.

You can have "peace of mind" at absolutely NO COST.
